EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Rajit Kapur on March 18, 2011.

The application has been amended as follows:

Cancel claims 11-23.

Replace claim 1 with the following new version of the claim:

A method comprising:

receiving, by a computer processor, a series of shopping lists, each shopping list including at least one item;

establishing, by the computer processor, a shopping list trend based on the series of shopping lists;

generating, by the computer processor, an output list in accordance with the shopping list trend such that the output list is predictive of a next shopping list;

receiving, by the computer processor, a plurality of item price lists from a corresponding plurality of shopping locations; and

recommending, by the computer processor, a shopping location based on the plurality of item price lists and the output list.

Allowable Subject Matter

2. Claims 1-8 and 10 are allowed.

3. The following is an examiner's statement of reasons for allowance:

The decision rendered on December 10, 2010 by the Board of Patent Appeals and Interferences states that the closest prior art, Green, fails to disclose all of the recited features of the claimed invention. In view of the Board's decision, the claims are considered to be allowable over the prior art of record. The limitations lacking in the prior art, in combination with the other limitations clearly claimed for patent, are novel and unobvious.

Conclusion

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to CHRISTOPHER R. BUCHANAN whose telephone number is (571)272-8134. The examiner can normally be reached on Mon.-Fri. 9:00am - 5:30pm.
